~~FRANK WILLS~~, Security Guard, General Security Services, Incorporated, 1254 23rd Street, N.W., Washington, D.C. (WDC), residence 3128 22nd Street, N.W., telephone 833-3128, was interviewed at his place of employment and provided the following information:

He is assigned to the Security Force of the Watergate Office Building, 2600 Virginia Avenue, N.W., and regularly works the mid-night to 8:00 a.m. shift.

On Friday night, June 16, 1972, he came to work at 11:45 p.m. and immediately began a check of the doors on the basement level of the building. He explained this check at the beginning of his shift is more or less standard procedure.

On Level B-2 he found the two stairway doors, which entered from the garage into the building, taped with strong packing tape so the lock would not engage. These doors were supposed to be locked so he removed the tape from both doors. He did not give much consideration to the tape being there since occasionally in the past he had found tape on various doors left by janitors or engineers who work in the building.

He then walked down the stairway to Level B-3 and found the first door locked. The second door was unlocked, but not taped. He checked two more doors on Level B-3 and found them locked. He then checked B-1 Level door which was locked, went to the lobby desk and took the tape which he had removed and placed it on the desk.

Approximately ten minutes later he decided to make another check of these doors just to be sure and returned to the B-2 Level. He found the same two doors from which he had removed the tape previously retaped. At this time he left the tape in

place and went to Level B-3. Both doors leading to the garage area from the building were also taped, so he immediately took the elevator to the lobby. At the lobby desk, he called the Second District, Metropolitan Police Department, through the hotel operator and related the above facts. The time of this call to the Police Department have been between 2:15 a.m. and 2:30 a.m., Saturday morning.

Two officers arrived approximately 15 minutes later at the lobby and he accompanied them to the 8th floor of the building to begin a floor by floor check of the building. As they checked the stairway door leading to the 6th floor corridor they found the latch taped.

Just as the tape was discovered someone rang the elevator bell which is a signal for him to unlock the lobby door for employees leaving the building. As he let these people out, he was met by more police officers and from them he first learned that someone had been arrested on the 6th floor.

He then accompanied these officers, numbering 10 to 15, on the elevator to the 5th floor and up the stairway to the 6th floor. He entered the Democratic National Committee office with these officers and observed five individuals handcuffed against the wall.

He then assisted in the search of the office of the Democratic National Committee and observed electronic equipment stacked up in the middle of the floor of one of the offices. Some officers soon began carrying this equipment down the stairs to the elevator on the 5th floor and then to the lobby.

Once in the lobby, again more police officers were arriving and he returned to the 6th floor with a new group. This time he observed file cabinets and desk drawers had been pulled out and Metropolitan Police Department fingerprint men were processing them. He noticed two panels had been removed from the ceiling of one of the offices, but did not think anything about it at that time. He next spent approximately one to two hours searching various offices for the home telephone number of someone from the Democratic National Committee to

notify. Finally one of the officers called the Deputy Chairman of the Democratic National Committee who appeared approximately a half an hour after the call.

LANO, in the presence of Assistant United States Attorney CHARLES W. FBI File No. 139-4039

Lab. No. E-1428-HY

Specimens received 6-17-72.

Q1 and Q2	Two Bell & Howell transceivers
Q3, Q4, and Q5	Three miniature radio transmitters (telephone type)
Q6	One Realistic AM-VHF radio receiver
Q7	Two "twist tie" wires with nails attached
Q8	One plastic box with a metal back, six D-cell batteries and one miniature radio transmitter with microphone attached
Q9	One electronic wristwatch

Results of Examination:

Q1 is a Bell and Howell, battery-powered, portable radio transceiver in a leather carrying case, Model 247BX, serial number 4900. This unit is a two-channel transceiver. Channel One transmits on 156.2500 megahertz (MHz) and receives on 161.9725 MHz. Channel Two transmits and receives on 161.9175 MHz. The manufacturer quotes the following specifications for Model 247BX:

R. F. Power Out - 1 watt at 14 volts DC.  
Battery life - one 8-hour day, 10% duty cycle.  
Frequency coverage - 148 to 174 megahertz.

Q2 is a Bell and Howell, battery-powered, portable transceiver in a leather carrying case, Model 247BX, serial number 4971. This unit has the same physical and electrical characteristics as Q1.

Q3, Q4, and Q5 are miniature radio transmitters approximately 1 1/2" long by 1" wide by 1/2" high. The radio circuit components are encased in a black epoxy-like material. Three small wires protrude from each transmitter. Two wires protrude from one end and serve to

~~CONFIDENTIAL~~

connect the transmitter in series with one wire of a telephone line. One of these wires is terminated with a small alligator clip made by the Mueller Co., Cleveland, Ohio. The second wire has no terminal clip but has solder on the end where the insulation has been removed.

The third wire protrudes from the opposite end of the transmitter and is approximately 20" long and serves as a radiating antenna.

Q3, when connected in series with the "tip" side of a test telephone line, transmitted the voices on the line to a radio receiver tuned to a frequency of approximately 114.7 MHz.

Q4 is the same as Q3 except the operating frequency is 110.3 MHz.

Q5 is the same as Q3 except the operating frequency is approximately 110.7 MHz and one component is damaged. Q3, Q4, and Q5 are designed primarily to transmit telephone conversations to a receiver within range of the transmitter.

Q6 is a Realistic #206 AM-VHF battery-powered radio receiver. It measures approximately 2 13/16" wide by 1 3/8" deep and 4 3/8" high. This receiver is made in Japan and sold by Allied Radio Shack, a division of Tandy Corporation. The unit is operational on frequencies 540 to 1600 kilohertz and 108 to 135 MHz.

Q7 consists of two "twist tie" wires. The two wires are connected together by twisting and the two ends each have a small nail attached.

Q8 consists of a white plastic box with a metal back. Stamped on the metal back are the words: "Trine Mfg. Co." The box measures 8 1/4" by 2 3/8" by 4 3/4". Two typewritten labels on the front read: "ARI Smoke Detector" and "Fire Eqp. Do Not Move." Included in Q8 were six Allied, alkaline batteries, size D, 1 1/2 volt DC. When tested on a Simpson battery tester two of the batteries tested "weak" and four tested "good." Four of the batteries were wired in series when received. The remaining two batteries have solder on each end and one has a short length of wire similar to that used to connect the four batteries in series. This suggests the six batteries could have been wired in series to form a 9-volt supply.

~~CONFIDENTIAL~~

Q8 also contained one miniature radio transmitter with microphone. When a 9-volt battery was properly attached to the transmitter, voices in the area of the microphone were transmitted on a frequency of approximately 110.13 MHz and could be received by radio receiver, Q6.

Two of the components used in the construction of this transmitter are capacitors manufactured by Vitramon Inc., Bridgeport, Connecticut.

Q9 is a Matthey-Doret, electronic wristwatch. At the time of examination the watch was running. The words "West Germany" appear at the bottom edge of the face. Q9 does not appear to be altered in any way.

The evidence is being returned to Washington Field Office via personal delivery.

Mr. JAMES C. MC KINNEY, Chief Operations, Federal Communications Commission, 1919 M Street, N. W., furnished the following information:

Mr. MC KINNEY stated that the Federal Communications Commission (FCC) had issued authority for JAMES W. MC CORD, JR., to utilize frequency 161.92 megahertz and one 156.26 megahertz within his capacity as a security officer for the Committee to Re-elect the President and that this equipment would be primarily used at the Republican National Committee in Miami meetings. These frequencies are clear channels between radio frequency normally held by Marine bands and issued for such occasions on a special clearance known as an STA clearance. The frequencies were issued to McCord Associates and authorization stipulations were set forth as to the restrictions placed on operating this equipment utilizing the approved frequencies.

Mr. MC KINNEY said that "FCC has no knowledge the radios were used" but stated that any use of them by individuals other than the prescribed uses as set forth in the authorization from FCC would constitute a violation of Title 47, CFR Section 9583 (a2). In essence Mr. MC KINNEY stated that this law forbids the use of the equipment which involves activity contrary to local state or federal law.

Mr MC KINNEY advised that the records of FCC further reflect that McCord Associates Incorporated are authorized to have two citizens Class D radio units that call letters KEPO141 and that this authorization was instituted December 8, 1971 to extend up until December 8, 1976. Class D radio service is available to any citizen over 18 years of age and he added that McCord Associates Incorporated has applied for additional authority to maintain an increase in the number of Class D radio units above the two they presently hold.

At this time Mr. MC KINNEY furnished the interviewing agents with a Xerox copy of the following:

MICHAEL DOUGLAS CADDY, 2121 P Street, N.W., was contacted at his residence at which time he was immediately advised of the identity of the interviewing agents and the nature of the inquiry, at which time he supplied the following information.

CADDY stated that he is the attorney who is representing five individuals who were arrested by the Metropolitan Police Department at the Watergate Hotel in the early hours of June 17, 1972. CADDY stated that he was first advised of the arrest of these individuals when he received a phone call at approximately 3:00 a.m. on June 17, 1972 advising him that his services may be required. CADDY advised that the phone call was not anonymous nor was it from another attorney at which time he refused to identify the caller as he advised it may violate his attorney-client privilege.

Mr. CADDY stated that he knew one of the individuals that were arrested by the name of BERNARD BARKER as he met him approximately one year ago at the Army Navy Club in Washington, D.C. He stated that this is the only time that he ever met BARKER and they had a very amiable conversation concerning their mutual views on politics.

CADDY again refused to identify the person who called him on the morning of June 17, 1972, at which time he terminated the interview.

EUGENIO ROLANDO MARTINEZ Y. CREAGA, appeared in the rotunda of the District of Columbia Jail and reviewed a jail form setting out the identity of the agency which was present at the jail and the purpose of the visit of that agency. Previous to Mr. MARTINEZ's review of this form it was completed by SAs DANIEL C. MAHAN and JOHN E. DENTON of the FBI, Washington, D.C. (WDC), identifying the agency as the FBI and the written names of both Special Agents. The purpose of the visit was also set out and was described as an interview. MARTINEZ reviewed this form in the presence of a District of Columbia Jail Guard and executed it by signing it, thereby consenting to an interview.

Thereafter, MARTINEZ was advised of the identity of DANIEL C. MAHAN and JOHN E. DENTON as Special Agents of the FBI of WDC. He was advised that the interview was concerning his alleged presence at the Democratic National Committee Headquarters of the Watergate Apartments during the early morning hours of June 17, 1972, and his alleged possession at that time, of electronic listening equipment. Mr. MARTINEZ was then advised of his rights regarding his right to remain silent and right to legal counsel, as they are set out on a warning and waiver form.

Mr. MARTINEZ stated that he desired further explanation for the purpose of the interview and was informed specifically that it was as to why he was allegedly present at the aforementioned location on the morning of June 17, 1972. MARTINEZ responded "that's the \$64,000. question, isn't it?"

Additional information regarding the purpose of the interview was furnished MARTINEZ, at which time he stated he did not wish to afford an interview, and thereafter the interview was terminated.

BERNARD LEON BARKER, JR.

United States Government records, reviewed by a Special Agent of the FBI on June 26, 1972, disclose that BERNARD LEON BARKER, JR., filed application for registration as an American citizen at the American Embassy in Havana, Cuba, on August 7, 1940, approved valid for two years. He stated therein that he was born at Havana, of an American father on March 17, 1917, had resided outside the United States since August 15, 1939, at Havana for the purpose of studying at the University of Havana and that he intended to return to the United States within one week to reside temporarily. He gave his legal residence as Farmingdale, New York.

In an accompanying affidavit, he recited that his mother was Cuban-born, that he was taking a civil engineering course at the University for five more years, that he was residing in the United States on his eighteenth and his twentyfirst birthdays and that he did not wish to assume Cuban citizenship. He listed a sister, ALICE VOGT, who was in care of his mother at Broadhollow Road, Farmingdale, New York. The Embassy noted that he had been included in the registration of his father, BERNARD LEON BARKER, filed in the Embassy in 1917 and in later registrations.

BARKER filed another application for registration at Havana on July 29, 1947, approved valid for two years. Card of Identity and Registration number 411 was issued to him on the same date. BARKER indicated in this application that he had resided in Cuba from birth to 1932 and stated that he was in the U.S. Army from March 23, 1942 to July 8, 1947. He indicated that he was married on July 6, 1945 to CIARA ELENA FERNANDEZ, born at Havana on August 12, 1917, not then a U.S. citizen. He also listed a daughter, MARIA ELENA (BARKER), born at Vernon Field, Jamaica on February 1, 1947, who was also included in this registration as a U.S. citizen.

These records contain a Certificate of Loss of Nationality of the United States dated September 27, 1950, at the Embassy at Havana concerning BERNARD LEON BARKER, JR., born on March 17, 1917, at Havana, residing at Loma 89, Marianao, Havana, who acquired U.S. nationality by virtue of his birth in Cuba of an American father, born on January 2, 1890, at Columbia, Tennessee. BERNARD LEON BARKER, JR., expatriated himself under the provisions of Section 401 (d) of the Nationality Act of 1940 by accepting or performing the duties of an

office, post or employment under the Government of Cuba, a foreign state, for which only nationals of Cuba were eligible. Evidence of such action was said to be the certification by Lieutenant Colonel J. M. REGO, Chief of Headquarters Department, Headquarters of the National Police, dated September 25, 1950, stating that BERNARD LEON PARKER y TERRY was a member of the Central Division of the National Police from October 26, 1948, to October 5, 1949, and that in order to occupy that post he had to be a Cuban citizen. This certification is in Spanish with appropriate translation into English by the Embassy.

This Certificate of Loss of Nationality of the United States was approved by the Passport Division, Department of State on December 15, 1950.

Under date of September 22, 1951 from Havana, BERNARD L. BARKER wrote a letter to Dr. MARIO LAZO, attorney in Havana, requesting the latter's assistance in overcoming the finding of loss of nationality on his part. This letter was furnished to the Passport Division, Department of State by Dr. LAZO, who took up the matter with the then Chief of the Passport Division personally and subsequently by letters dated February 27, 1952 and February 28, 1952 in which he cited BARKER's record and appealed for further consideration of the holding of expatriation. Dr. LAZO wrote again to the Passport Division on April 21, 1952, for a reply to his earlier letters.

On May 15, 1952, the Passport Division replied to Dr. LAZO, reviewing the matter of BARKER's expatriation and stating that the State Department was obliged to adhere to its original holding that BARKER lost citizenship under Section 401 (d) of the Nationality Act of 1940, upon entering the National Police of the Republic of Cuba. This State Department reply was forwarded to the Embassy at Havana for mailing to Dr. LAZO.

Dr. LAZO informed the Passport Division by letter dated July 6, 1953 that he was arranging for introduction of a private bill to restore BARKER's citizenship. A copy of H. R. 8349 dated March 10, 1954 introduced into the Second Session, 83rd Congress by Mr. WILLIAMS of New Jersey for the relief of BERNARD L. BARKER appears in these records. The Committee on the Judiciary, U.S. House of Representatives requested the Secretary of State on March 17, 1954 to submit a report concerning this Bill. The Assistant Secretary of State by letter dated March 30, 1954 summarized BARKER's expatriation case and informed the Committee on the Judiciary

that the Department of State interposed no objection to the enactment of this proposed legislation in view of all the circumstances.

These records also show that on January 12, 1951, the Passport Division placed a lookout in its files concerning BAKKER as an expatriated person to insure that the record of his case would be considered in the event that he filed an application for a U.S. Passport. As an expatriated person, he is not eligible to be issued a U.S. Passport. This lookout notice is still pending in the Passport Office as of June 23, 1972.

Mr. MEAL advised there were no records maintained of any incoming telephone calls. If any long-distance outgoing calls were made there would be charges which would appear on the folio. The absence of such charges would mean no long-distance calls were placed from the assigned rooms or charged to these rooms. There are no records kept as to description of vehicles in the garage. Anyone may park, receive a perforated numbered ticket, a copy maintained by the parking attendant, and reclaim his car merely by presenting the stub. Charges would be made to a room by the customer showing his room key.

Charges made by the health club would be by the customer showing the room key.

Restaurant charges are made by the customer showing his key and signing the check. These checks are forwarded to the front desk to place amounts on the folio then returned to the restaurant accounting office.

Mr. FRANCO ROVERE, Banquet Captain, Watergate Terrace Restaurant, Watergate Hotel, 2670 Virginia Avenue, N.W., telephone 965-5252, advised:

He viewed guest check number 174707, dated May 26, 1972, then advised he had served this dinner in the Continental Room. ROVERE was the only waiter since it was a small party. Ten had been guaranteed when the reservation was made, but only eight guests, all males, attended.

Mr. ROVERE then viewed the following photographs, all polaroid shots in black and white:

GEOFFREY LEONARD  
ALFRED C. BALEWIN  
BERNARD L. BAKER  
EMERICO MARTINEZ  
EDWARD WEBB  
JAMES W. MC CORD  
JAMES HILL  
DANIEL MAMAN  
V. R. GONZALES  
JOE SMITH  
FRANK STURGIS

Mr. ROVERE identified the photographs of STURGIS and GONZALES as persons who definitely were at this dinner. He believes MARTINEZ also attended, but can not be certain.

Mr. ROVERE had the Continental Room prepared for the 8:00 p.m. reservation and was waiting at the small bar in this dining room where the first guests arrived. There were four who arrived first, including STURGIS who seemed to be in charge at first. The others arrived very shortly thereafter. There

were two Americans in the group, the others being of mixed origin, but all spoke Spanish very well. The group spoke Spanish as well as English during the time Mr. ROVERE served them. Mr. ROVERE's native tongue is Italian so he was able to understand certain Spanish words and expressions. During his service the main topic of conversation was night clubs in the Miami area and women. The women were prostitutes that hung out in these clubs. ROVERE can not recall any names of either clubs or women.

The American in charge ordered dinner to be served at 8:30 p.m. He also ordered scotch and milk. ROVERE chided him to which he replied he was having some trouble with an ulcer. This person also asked for the wine list, read it, then ordered some very good wine. Judging from Mr. ROVERE's experience, this person knew his wine very well. He did not ask for any wine suggestions or advise. When the wine was served, this man took a small glass, but asked for milk with his dinner.

He recalled this person to be five feet nine inches tall, 150 pounds, skinny, hair mostly gray, wearing a dark blue suit. He wore glasses. This person also requested and signed the dinner check.

The other American was chubby and short, about fifty-five years old. He wore a light brown suit with wide lapels and a wide tie.

He recalled one man was a young man who was from a Spanish-speaking country, but spoke very good English. No further description recalled.

When they arrived one was carrying a black suitcase measuring two and a half feet by two feet by one foot. They had requested to have a screen for movies. The Continental Room is the only room where the screen is available without rental. Mr. ROVERE fixed in his mind these men were in real estate since they requested the screen. When dinner had been served, Mr. ROVERE lowered the screen, then left the room. He did not

observe anything projected onto the screen at any time. He checked to see if he could render further service after serving dinner. He was not needed so he left work around 12:30 a.m. He learned later this party had remained until approximately 2:00 a.m.

On two occasions in the dining room, ROVERE observed STURGIS having either lunch or dinner. On one occasion STURGIS was with G. STABLES, the other with someone else who had not attended the dinner on May 26, 1972.

The only thing unusual about the party was the group ate a lot of bread and they were messy. He observed some of the men ate the shrimp cocktail with the wrong fork rather than the smaller one which was provided.

All rooms are similarly decorated in the rust, orange and brown colors, with white linens. The carpet is of a rust color with very little nap. There is one scatter or throw rug in the bathroom, but it also has a short nap.

It was observed there is nothing contained in the room which could be considered to be a shag or to have shag length.

ROBERT SCHREIBER, 2911 Arizona Avenue, N.W., Washington, D.C. (WDC), furnished the following information:

He was employed as a day shift desk clerk at the Howard Johnson's Motor Lodge, 2601 Virginia Avenue, N.W., WDC, until June 15, 1972, at which time he voluntarily left the employ of the motel.

Upon reading the "The Washington Post", dated June 19, 1972, concerning the men arrested in the Watergate Office Building on June 17, 1972, he recognized the photograph of one of the men arrested, JAMES MC CORD as an individual who had rented a room at the Howard Johnson's Motel in late April of 1972.

He related that approximately April 20, 1972, JAMES MC CORD approached him at the desk at the Howard Johnson's Motor Lodge and stated that he wished to rent a room for approximately ten days to be used for business meetings for his company, McFord Associates. SCHREIBER explained to him that the motel did not have any vacancies due to the fact that various colleges and universities were holding functions in the area. MC CORD stated that he would leave a deposit for any room that he reserved and also told SCHREIBER that he wanted a room on a high floor. SCHREIBER stated that the motel has eight floors. He gave MC CORD a group of keys to various rooms and MC CORD went upstairs to pick out a room. He returned to the desk and said he would take Room 619. He gave SCHREIBER two one hundred dollar bills as a deposit on the room and stated that he would return approximately April 29, 1972, to begin occupying the room. SCHREIBER stated that he recalls that the one hundred dollar bills were not new bills.

He continued that in approximately April 26 or 27, MC CORD returned to the motel and picked up the keys to the room.

Sometime during the second week in May, 1972, MC CORD paid \$300 more to cover the charges on the room he had rented. He made the payment in cash using three one hundred dollar bills.

SCHREIBER stated that MC CORD never stayed in the room to his knowledge but that another individual whose identity is unknown to SCHREIBER occupied the room. Sometime during the month of May, 1972, this individual moved from the room on the sixth floor to room 721.

SCHREIBER stated that he never saw MC CORD carry any luggage into the motel and never observed him to go upstairs to the room. He also advised that there were an unusual amount of long distance phone calls made from the room rented to McCord Associates.

SCHREIBER also stated that after reading "The Washington Post" of June 19, 1972, he recognized the photograph of FRANK STURGIS another of the individuals who was arrested in the Watergate Office Building as having been in the motel inquiring whether there was any mail for McCord Associates.

HAZEL KENNES, Supervisor, Janitorial Staff, Howard Johnson's Motor Lodge, 2601 Virginia Avenue, N. W., Washington, D. C., furnished the following information:

She is in charge of all the maids who clean the rooms at the Motel. In the event that one or more of the maids do not report for work, she herself often cleans guest rooms. During several weeks during the month of May, 1972, the maid who cleaned the rooms on the fourth floor was sick and did not report for work. During this time she cleaned the rooms on that floor, including room 419 and she often had conversations with the occupant of that room. She advised that the individual who occupied room 419 stayed in the room most of the time during the day and in conversation with her stated that he worked at night. However, he would not state the nature of his business. Her office is on the fourth floor, down the hall from room 419 and she often ran into him in the hall of the Motel.

During the latter part of May, 1972, this individual moved from room 419 to room 723. When she asked him why he was moving to the seventh floor, he stated that he wanted to avoid all the women who were bothering him all the time. She got the impression that he was joking the way he made this statement.

After this individual moved to room 723, she had occasion to be in the room only on a couple of occasions. She recalled seeing a wall of papers on the desk during one of these visits.

She recalls seeing the individual who occupied room 419 and then room 723 coming into the Motel on a couple of occasions at about 7:15 or 7:30 in the morning. She stated that the individual who occupied these rooms always wore casual clothes.

EMMA SCOTT, 3255 16th Street, N. W., Washington, D. C., Apartment 812, was interviewed at Howard Johnson's Motor Lodge, 2601 Virginia Avenue, N. W., Washington, D. C., where she is employed as a maid. She furnished the following information:

She is assigned to clean the rooms on the seventh floor of the Motel. She specifically recalled the individual who was staying in room 723 during the last several weeks because on several occasions when she would clean the room he would tell her that he did not want her to come and clean the room the next day. When she cleaned the room on Thursday, June 15, 1972, she was told not to come to the room on June 16, 1972. She also recalled that she would always have to telephone the room before she could go in and clean it. After she called he would leave the room while she cleaned it and return when she had finished the job. She recalls that he kept the "Do Not Disturb" sign on the door most of the time during the day.

She recalls seeing three suitcases in the room in one day when she cleaned it and only one suitcase the next day she cleaned the room. She also recalls seeing a typewriter in the room on one occasion, but it was gone the next time she cleaned the room. She can not recall seeing any other items in the room.

The individual who occupied this room told her on approximately June 12, 1972, that he would be at the Motel for another three weeks because he had a lot of work to do. She was surprised to see that he had checked out of the Motel when she reported for work on June 19, 1972.

HAZEL MINES, Supervisor, Janitorial Staff, Howard Johnson Motor Lodge, 2601 Virginia Avenue, N.W., Washington, D.C., furnished the following information:

She has been trying to recall more information regarding the individual who occupied rooms 419 and 723 of the motel during May and June, since being contacted by agents of the FBI on June 19, 1972. She recalled that from approximately May 5, 1972, to May 11, 1972, the room was vacant and unoccupied when she checked it each morning to determine if it needed to be cleaned. When she checked with the front desk to see if the room should be listed as vacant or as occupied, she was told that a \$200.00 deposit had been placed on the room and that it was rented, even though it was not occupied. She advised that she had checked the cleaning charts from May, 1972, which did reflect that that room was not occupied from May 5, 1972, through May 10, 1972.

On May 11, 1972, she noted that an individual had occupied room 419. She stated that she specifically recalls seeing an individual in that room because that room is on the same floor as her office and she spends quite a bit of her time on the fourth floor. At about 3:00 p.m., on May 11, 1972, she telephoned room 419 to inquire if the occupant wished to have the room cleaned. No one answered the telephone when she called, but several minutes later the occupant of the room met her in the hall. She told him that she had called and asked if he wanted to have the room cleaned. He said, "I fooled you by not answering. I thought it was one of my women." She assumed that he was just kidding her and told him that she would send one of the maids to clean the room. This individual remained in the room while the maid cleaned it.

During the time that this individual occupied room 419 she had occasion to speak with him almost daily. She stated that he was very friendly and outgoing and that he told her that

he was in Washington, D.C., on business, although he did not state what his business was. He spent most of the day in his motel room.

At the end of May, 1972, the individual occupying room 419 moved to room 723. He borrowed the bell captain's luggage cart and moved three suitcases and a large cardboard box from room 419 to room 723. A second white male was with him at this time. She had never seen the second man prior to this time and has not seen him at the motel since. She recalled this incident because she rode up in the elevator with the two men from the fourth floor. She asked the individual who had been staying in room 419 what room he was moving to and he stated that he was going to occupy room 723. She asked him if he was moving because he did not like her and he responded that he was moving to avoid all his women.

In connection with her duties as Supervisor of the Cleaning Staff at the motel, she had occasion to enter room 723 while it was occupied by the same individual who had stayed in room 419. At this time she noticed no luggage in the room but did notice several sport shirts and pairs of slacks hanging in the closet. She also noticed a pair of boot shoes in the closet with red mud all over them. She also believes that there was a set of golf clubs in the closet.

On June 16, 1972, this same individual was still occupying room 723 but when CATHERINE ULON, a maid at the motel, entered the room to clean it on June 17, 1972, at approximately 9:30 a.m., she found the room to be vacant.

MINES viewed a group of color photographs of white males, including that of EVERETTE HOWARD HUNT, JR. She stated none of the individuals pictured was familiar to her.

MINES furnished the following description of the individual who had occupied room 419 and 723 at the motel.

Mr. GLENN J. SEDAM, JR., General Counsel for the Committee for Re-Election of the President, Committee Headquarters, 1701 Pennsylvania Avenue, N.W., furnished the following information:

During the late Fall or early Winter of 1971, Mr. JAMES WALTER McCORD, JR., had learned that he (SEDAM) had been inquiring for someone to do part-time yard work at SEDAM's residence. SEDAM stated he had made the initial inquiry to a retired Navy chief, who was then employed by the Republican Organization. SEDAM stated he had made specific inquiry concerning the services of a reliable and honest person.

JAMES McCORD had learned of SEDAM's inquiries and approached Mr. SEDAM stating that he had "just the man for him" advising that he was one of his (McCORD's) students at Montgomery Junior College.

After several months, Mr. SEDAM actually employed the services of the person recommended by McCORD, and advised he was known to him as JUAN RUIZ who claimed to be a Chilean national and former member of a police department in Chile. Over a period of three or four weekends, RUIZ did part-time yard work during March and April, 1972, at Mr. SEDAM's residence. On April 15, 1972, Mr. SEDAM paid an accrual of wages totaling \$40.00 to RUIZ; however, at RUIZ's request, Mr. SEDAM made the check payable to a DON R. HEATH in the amount of \$40.00.

MR. ROBERT L. HOUSTON, Security Coordinator for The Committee to Re-Elect the President, 1701 Pennsylvania Avenue, N. W., furnished the following information:

Mr. HOUSTON advised that Mr. JAMES MC CORD was previously the security supervisor for the above Committee and had set up the security system for the Committee.

Mr. MC CORD had various articles of electronics gear such as radios with speakers and receivers. With the electronic equipment there was microphones which looked like chapstick containers and these and other radio equipment were to be used by the security force at the Republican National Committee Meeting Convention in Miami. The devices could be used on the floor of the Convention to maintain security.

Mr. HOUSTON pointed out articles Mr. MC CORD had used for instructional purposes when teaching the Committee Staff about security of the offices. This equipment consisted of alarm systems, with remote control and instruction as to where "bugs" might be placed, such as behind electrical outlets. There was also a partially filled box of pen-type tear gas dispensers ("Sheriff-50" brand).

The Committee's offices were monitored by a closed circuit television system and door "buzzers" have been installed as well as an alarm system which was presently in the process of being installed.

Mr. HOUSTON pointed out a base radio unit which netted with the equipment that Mr. MC CORD carried. The base radio was installed and the unit for the roof to be used in transmitting. The only time Mr. HOUSTON knew of that the equipment (radio) had been operated was to test it when it had been installed.

The following investigation at Washington, D.C., was conducted by SA GEORGE E. SAUNDERS on June 20, 1972:

An undated White House Telephone Directory believed to have been in use during the Fall, 1971, reflected that telephone number 2282 was assigned to HOWARD E. HUNT.

On June 20, 1972, SA SAUNDERS dialed this extension. An individual identifying himself as Mr. STEVENS (ph), answered the phone without further identification.

One LEONARD STEPHENS is currently listed as a security officer for the White House Communications Agency.

The possibility exists that all calls to extension 2282 are being handled by STEPHENS.

No record was located for the following individuals at the White House Personnel Office:

MARY HASTINGS, MARIE HASTINGS, and Mrs. HASTINGS.

No further inquiry was made by SA SAUNDERS regarding White House extension 2282.

On June 20, 1972, SA SAUNDERS observed a memo on the desk of JAMES ROGERS, Personnel Officer, White House Office. This memo was dated March 29, 1972, stamped "Confidential." It was addressed to BRUCE KEHRN (Staff Assistant, White House Office, who handled personnel assignments), from RICHARD HOWARD. HOWARD currently serves on the staff of CHARLES W. COLSON, Special Assistant to the President.

This memo stated HUNT had been very effective in his position of Consultant, however, HOWARD felt that HUNT's

services would be more effective at 1701. The memo recommended HUNT be terminated as a Consultant, WHO, effective April 1, 1972, and thereafter be immediately hired by 1701.

Mr. CHARLES W. COLSON, Special Advisor to RICHARD M. NIXON, President of the United States (U.S.), was interviewed at Room 135 of the Executive Office Building, 17th and Pennsylvania Avenue, N.W., Washington, D.C. (WDC), in the presence of Mr. JOHN DEAN, Legal Counsel to RICHARD M. NIXON, President of the U.S. Mr. COLSON was advised of the identities of DANIEL C. MAHAN and ANGELO J. LANO as Special Agents of the Federal Bureau of Investigation (FBI), WDC. Mr. COLSON was advised of the nature of the interview was in regard to the break-in at the Democratic National Committee Headquarters, Watergate Apartments, Virginia Avenue, N.W., WDC, on Saturday, June 17, 1972. Prior to any questioning in this regard, Mr. COLSON was advised of his certain Constitutional rights particularly his right to remain silent and right to legal counsel. Mr. COLSON stated that he understood his rights and would answer any question posed by the interviewing Agent. Mr. COLSON waived his aforementioned rights as shown by an executed warning and waiver form, and furnished the following information:

He has been acquainted with a Mr. EVERETTE HOWARD HUNT for a number of years and that he originally met Mr. HUNT on a social occasion and through subsequent meetings determined that HUNT was a former Central Intelligence Agency (CIA) employee and appeared to be an extremely intelligent person. During the early part of 1971, Mr. HUNT informed Mr. COLSON that he, HUNT, was presently employed by the Robert R. Mullen Public Relations Firm of WDC and that at the present time was in the position to offer his assistance to the President and the Republican Party in any manner deemed necessary. At that time, certain classified documents were being considered for reclassification, these documents became later known as the Pentagon Papers and for this reason COLSON thought HUNT might be the appropriate person, based on his past experience with the CIA to assist in this declassification. At the end of June or early July, 1971, HUNT was considered for this position and in July, 1971, HUNT was retained as a Consultant for the purpose of his reviewing these classified documents for declassification. HUNT was administratively assigned to Mr. COLSON's staff but actually HUNT worked with a special declassification unit. Mr. COLSON stated that HUNT was only under his direct supervision for only a short period of time, approximately six or seven weeks while he, HUNT, participated in the declassification of the aforementioned documents. During the period of time HUNT worked on this particular project, Mr. COLSON advised that he was under the direct supervision of a Mr. DAVID YOUNG. After completion of the declassification project, Mr. COLSON believed that based on Mr. HUNT's experience in South America he was assigned to investigate narcotic traffic from that area into the U.S. Mr. COLSON stated that he believed that HUNT worked on the declassification project until the end of 1971 or the early part of 1972 at which time he began participating in the securing of intelligence information in the drug trafficking area.

During the Spring of 1972, HUNT advised Mr. COLSON that he had completed all his projects and that he had nothing pending at that time. Mr. COLSON stated that Mr. HUNT was not involved in any activities in his capacity as a Consultant after March, 1972, and was removed from the rolls of the White House Staff as a Consultant at the end of March, 1972.

Mr. COLSON stated that HUNT was paid on a time work basis rather than receiving a pre-determined salary. HUNT was reimbursed for any expenses incurred while working as a Consultant but did not actually have an open expense account. Mr. COLSON stated that he believed that HUNT submitted his last expense voucher on April 1, 1972, for the month of March, 1972. However, Mr. COLSON stated that as an administrative matter Mr. HUNT is listed as a Consultant to the White House but has not acted in such a capacity since March, 1972. He further related that an office exists on the third floor of the Executive Office Building which is technically assigned to HUNT. He also advised that HUNT has a pass to the Executive Office Building and could come and go at will.

Mr. COLSON related that he has no knowledge that the Robert R. Mullen Public Relations Firm is connected with any other Government Agency. He stated that he could provide no information relative to the break-in at the Watergate Apartments on June 17, 1972, and that he had no knowledge of any of the individuals arrested in that regard, nor with any other names that had become associated with those persons at a subsequent date except the name of EVERETTE HOWARD HUNT.

Mr. COLSON explained his duties at the White House as receiving special assignments from the President, advising the President in domestic issues and domestic legislation. Mr. COLSON stated that he also heads up the news planning operation but that he would have no connection with the investigation conducted by the White House to ascertain the identities of any person or persons leaking information from those offices.

Mr. COLSON stated that while EVERETTE HOWARD HUNT was acting as a Consultant to the President, he was also employed by the Robert R. Hullen Public Relations Firm.

ALFRED LONG, Special Agent in Charge, Technical Security Division, United States Secret Service, Room 25, Executive Office Building, Washington, D.C. (SIC), telephone 184-2671, was interviewed at his office in the presence of JOSEPH J. MURPHY, Deputy Special Agent in Charge, and provided the following information.

He was unable to recall any meeting attended by Mr. MC CORD, a Mr. MC CUIN and himself either in his office or in any adjacent office in the Executive Office Building. Although he does know Mr. MC CORD quite well, he neither recalls meeting anyone by the name of MC CUIN at the Executive Office Building nor does he recall any business dealings with anyone from the firm, SIC, Incorporated.

He did recall attending a meeting in a room down the hall from his office in the Executive Office Building attended by MC CORD and approximately 15 other people. This meeting was some time prior to President NIXON's China trip, and it was concerned with a display of technical security equipment by representatives of Bell and Howell.

After further reflection he recalled an individual employed by Bell and Howell as a salesman by the name of MC CUIN. He was of the opinion this MC CUIN may have been at the meeting attended by MC CORD and himself along with several other individuals. He noted, however, he only dropped into this meeting for a short time.

He has known MC CORD for several years

He last talked with MC CORD approximately three weeks ago regarding MC CORD's receipt of a crank letter. They discussed the contents of the letter and he in turn referred MC CORD to the appropriate division of the United States Secret Service to follow through with any investigation that was warranted. He last saw MC CORD one to two months ago, but did not recall the purpose of the meeting. He advised that since he and MC CORD do not associate together socially, it must have been in regard to some technical matter of mutual interest in view of MC CORD's position as Security Director of the Committee to Re-Elect the President.

He did recommend MC CORD for the position of Security Director of the Committee to Re-Elect the President in a hallway conversation several months ago. On that day he ran into a Special Assistant to the President by the name of CASTLEFIELD, who asked him if he knew anyone for the position of Director of Security for the Committee to Re-Elect the President. At that time he hastily replied "Try MC CORD". That was the extent of his recommendation.

After MC CORD was hired, he and MC CORD had infrequent contact regarding technical matters. The only time the Republican National Convention came up in their discussions was on one occasion when MC CORD stated he would see him (WONG) at the Convention in San Diego.

Mr. WONG was not at all acquainted with EVERETTE HOWARD HUNT, JR., and the only time he may have seen HUNT's name would have been either on an address list or a security pass list.

Mr. WONG viewed a group of color photographs of white males, including that of EVERETTE HOWARD HUNT, JR., but did not recognize any of the individuals in these photographs.

Mr. STURDY noted that Mr. HILL receives \$125.00 a day per diem from the Robert R. Mullen and Company for the handling of this account. a desire to receive from the company. Mr. BENNETT stated that at that time he was employed as an Executive in the Public Relations Department of the J. C. Penney and Company, but was dissatisfied with his duties with that company. Mr. BENNETT stated that when he approached J. C. Penney officials concerning the possibility that he might leave the company, he did not receive a favorable response. Mr. BENNETT said that he did not feel that he could leave the J. C. Penney and Company under those circumstances, as an unfavorable recommendation from a J. C. Penney official would be detrimental to a further career in the Public Relations field. Mr. BENNETT stated that through his contact, he was able to receive a presidential appointment as the Congressional Liaison Officer with the Department of Transportation. Mr. BENNETT explained that his primary purpose in seeking this position was to leave the J. C. Penney and Company peacefully and further it would permit him to establish new contacts in the Washington, D.C. ( ) area. Mr. BENNETT said that he served as the Congressional Liaison Officer with the Department of Transportation for approximately two years. BENNETT stated that he was again approached by Mr. ROBERT R. MULLEN concerning the purchase of the Robert R. Mullen and Company and that he resigned his position with the Department of Transportation in order to purchase the Robert R. Mullen and Company.

Mr. BENNETT stated that Mr. MULLEN arranged a luncheon meeting approximately two years ago to discuss the details of the purchase of the company. Mr. BENNETT said that he was surprised when DOUGLAS CADDY and EVERETTE HOWARD MINT appeared at the meeting with Mr. MULLEN. Mr. MULLEN explained that DOUGLAS CADDY and EVERETTE HOWARD MINT had expressed a desire to purchase a portion of the stock of the Robert R. Mullen and Company and he, Mr. MULLEN, felt that they should all get together and discuss this issue. Mr. BENNETT said that he did discuss this matter with DOUGLAS CADDY and EVERETTE HOWARD MINT, but no conclusion was reached at this luncheon meeting.

Mr. BENNETT explained that one of the principal accounts of the Robert R. Mullen and Company is the General Foods Corpora-

tion, whose headquarters are located in White Plains, New York. BENNETT stated that the General Foods Corporation maintains an office and assigns an employee to the Robert R. Mullen and Company to maintain liaison between the Robert R. Mullen and Company and the General Foods Corporation headquarters in White Plains, New York. BENNETT stated that DOUGLAS CADDY was at that time an employee of the General Foods Corporation and was assigned to the Robert R. Mullen and Company as the Liaison Officer.

BENNETT stated that subsequent to this meeting with MULLIN, CADDY and HUNT, he exercised his original option for the exclusive purchase of the Robert R. Mullen and Company and completed the negotiations for the purchase of the company with Mr. MULLIN.

Mr. BENNETT stated that during this period of negotiations for the purchase of the company, both the Robert R. Mullen and Company and the General Foods Corporation found DOUGLAS CADDY's performance to be unacceptable and Mr. CADDY was released from his position by the General Foods Corporation. BENNETT stated that through a contact, Mr. BENNETT arranged for DOUGLAS CADDY to obtain a position as an attorney with the law firm Call, Lane, Powell and McCullen, Suite 707, 1250 Connecticut Avenue, N.W., WDC. Mr. BENNETT noted that DOUGLAS CADDY had left the Robert R. Mullen and Company before he assumed the duties as President of the company.

GERALD J. MASLANIK, Assistant Property Manager, Watergate Improvement Association, Suite 455, 600 New Hampshire Avenue, N.W., Washington, D.C. (WDC), was interviewed at his office and made available five reports regarding breakings and attempted breakings at 2600 Virginia Avenue, N.W., copies of which are attached. He was unable to provide any additional information to that contained in these reports. As far as he knows, the Metropolitan Police Department (MPD) was called in each case and their reports will contain whatever investigation was conducted.

In addition he advised that although he has no reports regarding an attempted breaking at the law firm of PATRICK ROBERTS HARRIS on the 16th floor of the Watergate Office Building, 600 New Hampshire Avenue, N.W., WDC. He felt that information he does have may be of some significance in the light of the Democratic National Committee burglary. He felt there may possibly be some connection since HARRIS's office also housed the Credentials Committee of the Democratic National Committee.

Sometime between 6:30 a.m. and 8:00 a.m. one day approximately a half week ago, an attempt was made to enter the double doors to HARRIS's office. Preliminary investigation indicated a crowbar was used which completely damaged the lock and it appeared to be an unsuccessful attempt to enter the office.

He was unable to provide any additional information.

IRA J. O'NEAL, Major, Director of Operations, General Security Services, Incorporated, 1254 23rd Street, N.W., Washington, D.C. (WDC), was interviewed at his office and provided the following information:

During late April and May, 1972, several security guards who were employed by his company reported finding the doors leading from the garage area on Levels B-1, B-2 and B-3 to the office building, 2600 Virginia Avenue, N.W., held open with wads of paper. The doors in question were discovered in this condition usually after 6:30 p.m. weekdays and on Saturdays, Sundays and holidays.

At that time and even now he feels that Watergate residents were responsible and used this technique to avoid walking around the block to the main entrance of the building. He noted also that the stairway door leading to the 6th floor was often found stuffed with paper which matched the paper from the printing room of the Democratic National Committee. This appears again to have been done by employees of the Democratic National Committee to go back and forth between the 6th and 5th floors without taking the elevator.

As far as any previous breakings or attempted breakings at 2600 Virginia Avenue, N.W., are concerned, he advised that this information would be in the hands of GENEO J. MALLANIK, Assistant Property Manager, Watergate Improvement Association, Suite 455, 600 New Hampshire Avenue, N.W., WDC, telephone 337-0020.

However, he did recall that one of the guards, MICHAEL GORDON, 20 Madison Street, N.W., telephone RA3-5380, called him to report an attempted breaking at the Democratic National Committee on May 29, 1972, and subsequently reported this to the

THOMAS MC GILLICUDDY, Investigator, General Security Services, Incorporated, 1254 23rd Street, N.W., Washington, D.C. (WDC), was interviewed at his office and provided the following information:

On May 29, 1972, one of the security guards, LEROY C. BROWN, discovered the lock on the door to the Democratic National Committee offices, 2600 Virginia Avenue, N.W., had been tampered with and subsequently notified his office in the Second District, Metropolitan Police Department (MPD).

The police responded, dusted for fingerprints and notified Mr. ERIC JAFFE of the Democratic National Committee. Mr. JAFFE determined that the door was still locked and nothing was missing from the office area. On the door there were found marks from a wrench type apparatus by which an unsuccessful attempt had been made to unscrew the lock assembly.

After the investigating officers completed their investigation, one of the building engineers found a key which could be inserted in the front door lock, but would not lock or unlock the door to the office. He found this key in the cigarette receptacle in the hallway next to the elevators on the 6th floor. The MPD was subsequently notified and advised Mr. MC GILLICUDDY to preserve the key for future reference if another attempt was made to enter the office. This key was turned over to the interviewing agent in connection with the Democratic National Committee burglary.

Mr. MC GILLICUDDY advised that on the evening of June 16, 1972, there were two guards on duty in addition to FRANK WILLS, who discovered the tape on the doors. LEROY C. BROWN, 1425 Chapin Street, N.W., telephone 265-7510, was on duty from 5:00 p.m. to 12:00 p.m. that date and FLETCHER

Major General LEWIS WADE, United States Air Force  
(Retired), 3065 Cleveland Avenue, N.W., Washington, D.C.,  
furnished the following information:

He served in Cuba during World War II with the United States Army Air Force and was the ranking American officer in Cuba during the war. He was personally acquainted with FIDEL CASTRO and with all of the high ranking military officers in the Cuban army at that time. Many of the officers who were serving in Cuba at that time with the Cuban army are now in this country and associated with groups who are working in this country to overthrow FIDEL CASTRO.

He recalled that near the close of World War II a young officer named EDWARD L. BARKER was assigned to his command in Cuba. He saw BARKER after the war in approximately 1962 in Washington, D.C., and BARKER was standing at the Stouffer Hotel.

61  
[REDACTED] He stated that since this luncheon assignment in Washington, D.C., approximately 10 years ago, he has had no personal contact with BARKER. However, he did exchange Christmas cards with BARKER until 1969. He advised that BARKER's wife's name is CLAIRE and that the last address he had for the BARKERS was 3523 Northeast 57th Street, Miami, Florida. His best recollection is that BARKER most recently was employed as a promoter of boxing matches in Miami. He further stated that during World War II in Cuba, BARKER had also promoted boxing matches. (C)

WADE stated that he did not know why BARKER would have his name in an address book since he has had no personal contact with BARKER for ten years. He advised that he is well known among the Cuban exiles in this country and that it is possible that BARKER maintained his name in his address book

I. INVESTIGATION PRIMARILY CONCERNING  
GEORGE GORDON LIDDY

By communication dated June 30, 1972 the Washington Field Office of the Federal Bureau of Investigation (FBI) furnished records reflecting long distance telephone toll calls charged to the Committee to Re-Elect the President, Washington D.C. from its telephones 333-0362, 333-0363, 333-6575, and

~~CONFIDENTIAL~~

NY 139-301

333-6576; these telephones were utilized by GEORGE GORDON LIDDY. The following investigation was conducted regarding the subscribers of those telephone numbers which were contacted from the above four numbers as reflected on the toll charge records of the Committee to Re-Elect the President.

On July 7, 1972 Monsignor JAMES RIGNEY, Administrator of St. Patrick's Cathedral, residing at the Cathedral's rectory, 460 Madison Avenue, New York City, advised Special Agent (SA) ROGER J. CORKE as follows:

Father ROBERT MOHER resides at St. Patrick's rectory and, until recently, had a private telephone with the number 212-355-6211.

On March 17, 1972, St. Patrick's Day, there was an open house at the rectory. Monsignor RIGNEY recalls that, during that afternoon, Father MOHER had discovered three strange people in his room. The people may have been a young priest and two young nuns.

Monsignor RIGNEY believes that Father MOHER had trouble with strange calls on his phone and has had the number changed.

Father MOHER is vacationing in New England and left the following telephone numbers where he could be reached:

Friday to Sunday 617-CE 8-6766  
(Boston area)

Monday to Thursday 603-465-7892  
(New Hampshire)

NY 139-301

The following investigation was conducted by SA  
EUGENE F. O'NEILL:

On July 7, 1972 an unsuccessful attempt was made to contact ROBERT L. MEYERS, 19 East 88th Street, New York City, telephone 212-289-0556.

On July 11, 1972, another attempt was made to contact MEYERS at his residence. A doorman advised that MEYERS works full time at Bloomingdales Department Store, New York City.

On July 11, 1972, inquiry at Bloomingdales Department Store, 59th Street and Lexington Avenue, New York City, revealed that MEYERS was on a business trip to Chicago, Illinois, and was not expected to return until July 14, 1972.

WAGER explained that while LIDDY resided in Dutchess County, New York, he was legal counsel to the New York State Conservation Council - Firearms Committee. WAGER said he (WAGER) was a member of this Committee.

Mr. WAGER advised he knows LIDDY was recently working as a legal advisor to the Committee to Re-elect the President. He also knew LIDDY to be involved in the drafting of contracts for the Republican Convention.

Judge E.R. NAEMER, Federal District Court Judge, Eastern District of New York, 225 East Cadman Plaza, Brooklyn, New York, gave the following information to a Special Agent of the Federal Bureau of Investigation (FBI):

Telephone numbers (212) 596-4440 and (212) 596-4447 are both listed to the Chambers of Judge NAEMER at his Cadman Plaza address.

He advised that he has no knowledge of any individual by the name of GEORGE GORDON LINDY and has never had any personal contact with the Committee to Re-Elect President Nixon.

Judge NAEMER further advised that he had a law clerk by the name of C. MICHAEL TARONE who worked for him until July 5, 1972. TARONE left his position with Judge NAEMER to work for the Committee to Re-Elect President Nixon. During the months of May and June, 1972, TARONE had been in contact with a Mr. GLEN SUTMAN, Chief Legal Counsel for the Committee. TARONE had made and most likely received telephone calls from the Committee's Central Office in Washington D.C.

Judge NAEMER advised that this was the only logical explanation he could offer as to why his office was contacted by any member of the Committee to Re-Elect President Nixon.

STERNBERG stated that he (STERNBERG) used that office for a short time, and although he didn't recall the dates, he was unfamiliar with the name GEORGE GORDON LIDDY also known as (aka) George Leonard. Likewise, BRADY was unfamiliar with those names.

The following names were also mentioned to BRADY and STERNBERG but neither could identify them: ALFRED BALDWIN; JAMES WALTER MC CORD aka Edward Martin; BERNARD BARKER aka Frank Carter; VIRGILIO GONZALES aka Raul Gozoy; EUGENIO MARTINEZ Y CREAGA aka Gene Valdez, and FRANK STURGIS aka Frank Fiorini. STERNBERG advised that some of those names sound familiar, but that was because he recalls reading the names from the newspapers.

He also recalled the two members of ENGLISH's auditing team as JIM MULANEY and LUCY CAGLIANO (phonetic). These two individuals also occupied the office at Equity Funding which had telephone number 867-8028.

Mr. WEISMAN stated that in connection with his business of chartering aircrafts for companies and organizations, he has been in touch with the Committee to Re-Elect President Nixon in Washington D.C. He stated, however, that his company chartered only one flight for the committee which was at the end of June or the first few days in July, 1972.

Mr. WEISMAN advised that he usually is in contact with GLEN SHERMAN, General Council and head of transportation for the Committee to Re-Elect President Nixon. He also has dealt with DIANE KALLIN who is an Assistant to Mr. SHERMAN. He advised that he recalls receiving a telephone call at his home from Mr. SHERMAN in early May and this was in connection with arranging a flight, however, they had no plans available at the time and referred Mr. SHERMAN to some other charter flight company. Mr. WEISMAN advised that he does not recall receiving a telephone call on June 7, 1972 from the committee, however, he stated that it is possible that such a call was directed to someone else in the company.

Mr. WEISMAN advised that he has personally visited Mr. SHERMAN at his office in Washington D.C. on several occasions in connection with his business and has met many people with the committee, but however, he does not recall knowing GEORGE LIBBY or GEORGE LEONARD. He further advised that he has no knowledge of the break-in of the Democratic National Headquarters other than what he has read in the newspapers.

Mr. MAXWELL P. WILKINSON, Ram Island Road, Shelter Island, New York, was telephonically contacted in order to arrange for an appointment to interview him. Mr. WILKINSON stated he had nothing to discuss with the Federal Bureau of Investigation (FBI) and could not understand why the FBI wanted to interview him. He stated that he would not see an Agent.

It was explained to Mr. WILKINSON that the inquiry was with regard to the burglary of the Democratic National Headquarters and his knowledge of EVERETTE HOWARD HUNT. Mr. WILKINSON stated that he knew nothing about the burglary other than what he has read in the newspapers and added that he could care less about the problems of the Democrats or the FBI since he has problems of his own because of the recent death of his wife.

Mr. WILKINSON stated that he knows Mr. HUNT and that they have been friends for many years. He advised that he had no knowledge of any connection between Mr. HUNT and the burglary and did not know the current whereabouts of Mr. HUNT. Mr. WILKINSON apologized and stated that he did not wish to continue the conversation and terminated the interview.

Mr. M. DONCA stated that there appears in blue ink on LASIKER's ticket coupon the number 14A and 199. On HAMILTON's ticket coupon in blue ink appears the number 14B and 199. It is M. DONCA's opinion that the number 199 is the number assigned the ticket agent who sold the ticket and the number 14A and 14B are seat numbers. C

In addition to the above two coupons, there appears an American Airlines flight coupon for a passenger named Mrs. J. HUNT. This coupon was issued on August 22, 1970 and was a round trip ticket from New York to Los Angeles and return. According to Mr. MENDONCA, although the flight number is listed as OPEN, this flight was American Airlines Flight 32 from Los Angeles, California to JFK Airport, New York City. He came to this conclusion since this coupon was filed with others on this same flight. The serial number is shown as 001:22 2:657:318. It was Flight Coupon No. 2, Ticket Number 001 222657318 2. III. INVESTIGATION CONCERNING MINOLTA CAMERAS

By communication dated July 7, 1972 by the Washington Field Division of the FBI, advised that two Minolta cameras 35mm, which appeared to be new, were among the items recovered in connection with the burglary of the Democratic Party Headquarters. One of the Minolta cameras had serial number 3010386 and was equipped with a 1.9 lense. The second Minolta camera had serial number 3004602, and was also equipped with a 1.9 lense. It was determined that the distributor of these Minolta cameras was the Lafayette Radio Electronics Company, 111 Jericho Turnpike, Syosset, New York.

On July 11, 1972 FRANK SCARTOZZI, Merchandizing Manager, Lafayette Radio Electronics Company, 111 Jericho Turnpike, Syosset, New York, advised that his company purchases Minolta cameras from the Minolta Corporation, 200 Park Avenue South, New York, New York. He advised that when Lafayette sells cameras to their customers, the customers received instructions to mail guarantee cards on the Minolta cameras to the Minolta Corporation, 200 Park Avenue South, New York, New York. Therefore no records of guarantee cards on the Minolta cameras are maintained by his company.

Mr. SCARTOZZI further advised that Minolta cameras which are equipped with F1.9 lenses are known as the Model SRT-100. He stated that when his company makes a sale of these Minolta cameras, no separate record of serial numbers are maintained, as computerized records of the names of the customers along with their addresses is kept and the customer's name is searched when an inquiry is made concerning a sale to that particular customer. This procedure of search requires an extensive amount of effort on the part of Lafayette.

Mr. SCARTOZZI advised that an initial search of separate records of individuals or organizations which have requested catalog of products distributed through Lafayette discloses that MC CORD of Rockville, Maryland was shown as receiving a catalog from Lafayette at some time in the past.

NY 139-301

Mr. SCARTOZZI advised that the best manner in attempting to trace the above described Minolta cameras would be to first conduct appropriate inquiry at the Minolta Corporation, 200 Park Avenue South, New York, New York. However, he advised that he would instruct a search for the sale of the above described Minolta cameras to commence after being notified of the results of inquiry at the Minolta Corporation.

On July 12, 1972, Mr. SCARTOZZI was advised that no record of sale of the two cameras could be located at the Minolta Corporation and he stated that a search of the computerized records of sales would immediately commence. He expected that the search would be completed by July 14, 1972 or July 17, 1972.

Date of transcription 7/13/72

Mr. ANDREW CARNEY, Operations Coordinator, Minolta Corporation, 200 Park Avenue South, New York, New York, furnished the following information:

He advised that he could locate no records reflecting the sale of two Minolta Cameras, Model SRT-100, Serial Numbers 3010366 and 3004602 to the Lafayette Radio Corporation, Spocott, New York, or to any other camera dealers to which they sell Minolta cameras. CARNEY checked all invoices of cameras sold to the Lafayette Radio Corporation during the past two years, but could find no invoices relating to the above two SRT-100 models.

CARNEY further stated that his office could not locate warranty cards belonging to the two Minolta cameras and that they had not been returned to the Minolta Corporation of New York for registration as most Minolta camera buyers would do. He advised that all camera warranty cards would be returned to the Minolta Corporation, New York, New York, by purchasers of Minolta cameras within the United States. He added, however, that the two Minolta cameras could have been purchased without a warranty card being given to the customer if the cameras were bought from certain importing firms that deal in cameras who buy directly from Minolta Cameras, Ltd., Osaka, Japan.

He stated that the only Minolta Corporation in the United States was located in New York City and that his company imported directly from Minolta Cameras, Ltd., Osaka, Japan.

CARNEY stated that his records reflected no information containing the sale of any Minolta Products to JAMES WALTER MC CORD or McCord Associates.

The following investigation was conducted by SA  
CLAIR I. PETERKIN, JR. at Parker, Arizona:

A pretext call to Parker, Arizona phone number 602-669-8543 reflects that this telephone number is subscribed to by the Branson Arctic Circle Fishing Lodge, Riverside Drive, north of Parker, Arizona. The above telephone number was allegedly called on May 4, 1972 by someone from Washington, D. C., telephone 333-0362.

The owner of the Branson Arctic Circle Fishing Lodge, Parker, Arizona, is a JEAN BRANSON. The Branson Lodge north of Parker, Arizona and located on the Colorado River is managed by RAY and ELEANOR STEPHAN.

JEAN BRANSON, owner, Branson Lodge, Parker, Arizona, was in Canada, Alberta Province, at her Big Bear Lodge located in the wilderness area north of Edmonton, Canada on July 7, 1972 according to ELEANOR STEPHAN.

## FEDERAL BUREAU OF INVESTIGATION

1Date of transcription 7/12/72

Mrs. RAY (ELEANOR) STEPHAN, manager of the Branson Arctic Circle Fishing Lodge, located on Riverside Drive north of Parker, Arizona, and on the Colorado River, advised that she is the manager of this lodge and operates the office inasmuch as the owner, JEAN BRANSON, is presently in Canada and operating her lodges in the Alberta Province area and is presently located at the Big Bear Lodge in the wilderness section of the Alberta Province in Canada.

Mrs. STEPHAN stated that she takes most of the phone calls at telephone number 669-8343 and recalls that on or about May 4, 1972 a GEORGE LIDDY of the Committee for Re-Election of the President, tried to contact Mrs. BRANSON by phone. Mrs. BRANSON was not available at the time Mr. LIDDY called and advised that LIDDY's call was to discuss with Mrs. BRANSON the legality of Mrs. BRANSON's offer to donate three gift excursions to her Big Bear Lodge located in Canada.

Mrs. STEPHAN stated that on the date subsequent to the above call, Mrs. BRANSON wrote a letter to LIDDY and the Committee referring to the missed phone call and also referring to her proposed donation of three trips to her Canadian Lodge and suggesting that since her Canadian lodges were Canadian corporations or organizations this offer might be acceptable.

Mrs. STEPHAN advised that this letter was dated May 4, 1972 and possibly could be misdated if the call to Parker, Arizona was on May 4, 1972 since Mrs. STEPHAN recalls specifically that the letter to LIDDY and the Committee was written the next day.

Mrs. STEPHAN advised that a copy of this letter written by Mrs. BRANSON is in the Branson Arctic Circle Fishing Lodge files and can be examined if requested.

Mrs. STEPHAN advised that Mrs. BRANSON is at her Big Bear Lodge in Canada and is virtually inaccessible except through a two day trip into the wilderness area of the Alberta Province in Canada, or through radio contact from Edmonton, Canada.

KRISTINE FORSBERG, personal secretary and advance agent for Mrs. JOHN N. MITCHELL, was interviewed at the Committee to Re-Elect the President, 1701 Pennsylvania Avenue, N.W., Washington, D. C., in the presence of H. DONALD KISTLER, Attorney, 1628 L Street, N.W. She provided the following information:

She resides at 2100 Connecticut Avenue, N.W., telephone number 234-9369, when she is not traveling with Mrs. MITCHELL. It was in this capacity she first met ALFRED BALDWIN, III, on the afternoon of May 2, 1972, in the company of JAMES WALTER McCORD, JR. They met in one of the offices at the Committee just before leaving with Mrs. MITCHELL on a train trip to the midwest.

That evening while on the train, she stopped at BALDWIN's compartment to chat over a drink. He told her he was a former Federal Bureau of Investigation (FBI) Agent, had a law degree and taught a course to policemen in New Haven, Connecticut prior to taking the job as body guard for Mrs. MITCHELL.

When asked how he acquired his present job, he replied he had left his name with the Society of Ex-FBI Agents in New York City as being available for a security type job on short notice. As it happened, he was hired and came to Washington, D. C. to work for Mrs. MITCHELL with only 24 hours notice.

She had hardly any other contact with BALDWIN during the rest of the trip, and he was alone with Mrs. MITCHELL on the return from Michigan to New York City. On that leg of the journey her train hit a man and killed him, which deeply concerned

BALDWIN. She learned of the accident and BALDWIN's extreme concern from Mrs. MITCHELL in New York City after they arrived. Mrs. MITCHELL mentioned that BALDWIN kept bringing up the subject of the accident repeatedly en route to New York City.

While in New York, BALDWIN accompanied Mrs. MITCHELL to several parties and carried her jewelry in his pocket. She (FORSBERG) joined Mrs. MITCHELL and BALDWIN at the Waldorf Astoria Hotel. BALDWIN accompanied Mrs. MITCHELL to a luncheon at the Waldorf, a press conference and the return trip to Washington, D. C. Immediately after they returned to Washington, D. C., Mrs. MITCHELL told her she considered BALDWIN pushy, vocal and someone who would not stay in the background, especially while in New York City. She explained her dislike for BALDWIN and stated "That's it, I'm not taking any more recommendations from McCORD".

She saw BALDWIN again on May 12, 1972, when he came to her office and personally submitted a handwritten expense voucher. A week or two later he called her to inquire about the voucher and said he was infiltrating hippy groups, but he would very much like to get his job back with Mrs. MITCHELL.

The last time she saw BALDWIN was on the afternoon of June 2, 1972, at the bookstore in the Watergate Complex. She saw him entering the store wearing a yellow shirt and shorts while she was in the store with MARTY MITCHELL. She asked BALDWIN what he was doing and he replied, "Oh, nothing" and walked away.

A group of color photographs of white males, including those of EVERETTE HOWARD HUNT, CHARLES W. COLSON, and DAVID REGINALD YOUNG was exhibited to her and she failed to recognize any of the individuals depicted in these photographs.

A second group of black and white photographs of white males, including those of the subjects, JAMES WALTER McCORD, JR., BERNARD L. BARKER, VIRGILIO R. GONZALES, EUGENIO R. MARTINEZ and FRANK A. STURGIS along with GEORGE GORDON LIDDY and ARTHUR BALDWIN, III, were exhibited to her. She recognized

lost mail, handling of all keys and getting rid of any trouble makers who might enter the Committee's office. She further stated that after his employment began, some television camera surveillance equipment was obtained by the Committee, and McCORD was responsible for its installation. She advised that McCORD was not present at the office on a daily basis and that some weeks he would not be in the office at all. She stated that she had never seen any of these individuals in the office of the Committee to Re-Elect the President, except JAMES W. McCORD. She explained that she recognized the photograph of JAMES W. McCORD as the individual who had been employed as Security Officer for the Committee and that from newspaper articles she also recognized photographs of BERNARD L. BARKER and GONZALES VIRGILIO.

BLACKBURN, FBI Headquarters, GEORGE LEONARD, ALFRED CARLETON BALDWIN, III, DAVID W. BOWERS, FBI Headquarters and JAMES F. BLAND, FBI Headquarters. SYLVIA PANARITES was interviewed at her place of employment, The Committee For Re-election of the President, 1701 Pennsylvania Avenue, N.W., suite 372, telephone 333-0920. She advised that until one week ago she was secretary for ROBERT ODLE and BOB REISNER. She is now secretary for EDWARD FAILOR. She has been employed by the Committee since December 22, 1971, and her working hours are generally 8:15 am until 6:00 pm. She stated that she went to bed around 11:00 pm because she knew she had to work on Saturday. She stated that on Saturday, June 17, 1972, she arrived at work at approximately 8:00 am. She stated that a Convention Planning Meeting was scheduled and she had general work to do, xeroxing, etcetera. She stated that she did not leave work until around 4:00 am, June 18, 1972. She advised that the Convention Planning Meeting lasted until mid-afternoon. She had work to do and she stayed around to do it. The only people at the Committee office were MARILYN JOHNSON, ROBERT ODLE, MARTHA DUNCAN, ED COMLING and several Security Guards. They were watching the news on television at 6:30 pm and this is where she first learned of the break-in at the Democratic Party Headquarters. She remembered that the name MC CORD was mentioned, but she thought the first name was ED. She stated that they learned that the MC CORD mentioned in the television news was JAMES W. MC CORD, who is the Security Officer for The Committee For Re-election of the President. She stated that she is acquainted with MC CORD because they are both employed by the Committee. arrested during the break-in. She stated that MC CORD's duties usually consisted of issuing identification cards, making sure desks were locked and the office was secure.

PANARITES advised she and MARTHA DUNCAN and ROBERT ODLE and ED COWLING, the tour desk manager, stayed at the office. She stated that they tried all night to reach JOHN MITCHELL and JEB MAGRUDER who were in California. They had difficulty in reaching MITCHELL and MAGRUDER because of an unlisted telephone number. ODLE was the first to talk to MITCHELL and MAGRUDER and then she talked to them. The reaction of MITCHELL and MAGRUDER was one of complete surprise. She remained at work keeping the switchboard open and buying newspapers and xeroxing copies of articles. She stated that they all had several drinks, but no one was drunk. She had no knowledge of anyone who knew of the plans for the break-in beforehand. She said that everyone was shocked by the news. She stated that she does not believe that MC CORD's activities were a part of his job.

PANARITES advised that MC CORD is the only one of the persons arrested that she knows. She was shown a group of photographs containing the photos of the following individuals: JAMES W. MC CORD, C. W. COLSON, D. R. YOUNG, A. BUTTERFIELD, EDWARD J. HAMILTON, BERNARD L. BARKER, GONZALES VIRGILIO, EUGENIO R. MARTINEZ and ALFRED CARLETON BALDWIN, III. She stated that she did not know any of the individuals except MC CORD. She was also shown a list of names and aliases of the above individuals and stated that MC CORD's name was the only one known to her.

She advised that ROBERT ODLE left between 1:00 am and 4:00 am, Sunday, June 18, 1972. She and MARTHA DUNCAN left at approximately 4:00 am. She stated that they kept the switchboard open, but few calls were received. She stated that she received only one inquiry regarding the break-in, and it was from the Federal Bureau of Investigation. She

~~SECRET~~

stated that the switchboard is usually closed at this time and it is not unusual for no calls to be received. She stated that no calls were received for MC CORD.

PANARITES came back to work Sunday, June 18, 1972, at approximately 10:45 am to telecopy newspaper articles to send to California. She stated she received several inquiries regarding the break-in but only took messages. No calls were put through to any party at the Committee. She stayed Sunday until about 2:00 pm reading the office AP-UPI newspaper ticker.

PANARITES advised that MC CORD was Chief of Security but believes MC CORD's responsibility was limited to the Committee's office space. MC CORD was well liked and well respected. STEVE KING is the Security Officer for JOHN MITCHELL and was hired by the Committee. KING is the only one assigned directly to MITCHELL to the best of her knowledge. She did not know of any interaction between KING and MC CORD. MC CORD's responsibility was supervision of the guards and security of the office. BOB HOUSTON is probably Chief of the guards in MC CORD's absence. She could not remember seeing MC CORD with any persons except the guards. She never saw MC CORD carrying a suitcase or attache case and most of the time he was empty handed. She stated that ROB ODLE would be the one to authorize any expenditure made by MC CORD. She knows nothing regarding MC CORD's work habits or hours of work. MC CORD did not have a secretary.

She advised that she has no knowledge of the break-in and knows of no one who knows anything about it.

Mr. MITCHELL advised that he became associated with the Committee to Re-Elect the President on March 1, 1972, after submitting his resignation as the Attorney General of the United States. The first Mr. MITCHELL heard of the break-in at the Watergate Apartments and in particular the Democratic National Committee Headquarters was on Saturday, June 17, 1972, when he was advised of such by Mr. ROBERT MARDIAN in Los Angeles, California, as himself, MARDIAN, JEB MAGRUDER and FRED LA RUE were in California, at a political meeting from June 16, 1972, through June 20, 1972. Mr. MITCHELL advised that he believed Mr. MARDIAN received the initial information about this particular break-in from the radio media and that either Mr. MARDIAN or Mr. MAGRUDER contacted the Committee to Re-Elect the President in WDC to ascertain the extent of Mr. JAMES W. MC CORD's participation.

Mr. MITCHELL stated that he met Mr. MC CORD only on one occasion in early March, 1972, at which time MC CORD advised him of the security aspects at the office building located at 1701 Pennsylvania Avenue, N.W. Mr. MITCHELL denied any knowledge of E. HOWARD MUNT but added he has known Mr. GEORGE GORDON LIDDY since LIDDY's association with the U.S. Department of Treasury, WDC. Mr. LIDDY then went to work at the White House and eventually came over to work on the finance committee of the Committee to Re-Elect the President. However, Mr. MITCHELL pointed out he knows Mr. LIDDY on a professional basis only and in particular Mr. LIDDY's work regarding gun control legislation. Mr. MITCHELL stated he

is acquainted with Mr. DAVID YOUNG. He knew Mr. YOUNG as an Aide to Dr. KISSINGER and his position as Domestic Counsel at the White House.

Mr. MITCHELL further stated that approximately three to four weeks ago he had a high level meeting in his office regarding certain aspects of Senator MC GOVERN's campaign and that the following day much of this discussion appeared in a Washington daily newspaper. In this regard Mr. MITCHELL stated that there were also certain documents missing from the Committee Office at that time. Upon reading the newspaper accounts of what transpired at that meeting he raised "hell" with MACRUDER and CLIFF MILLER of the committee about the leak of such information. It was Mr. MITCHELL's opinion that this matter generated some concern within the committee and felt that Mr. MC CORD would assume responsibility for the leak of this information. Mr. MITCHELL stated that attending the aforementioned meeting there were approximately twenty senior staff people including ROBERT COLE. Mr. MITCHELL stated that the committee is conducting an investigation regarding the aforementioned incident as well as other minor incidents but with no results.

Mr. MITCHELL advised that the Committee to Re-Elect the President has conducted an independent investigation at the committee regarding the alleged break-in of the Democratic National Committee Headquarters due to Mr. MC CORD's alleged involvement and again with no results.

Mr. MITCHELL stated that he has nothing to do with the financial aspect on the Committee to Re-Elect the President and that aspect is handled completely by Mr. MAURICE STANS, former Secretary of Commerce. In describing the recent change in the election law Mr. MITCHELL advised prior to April 7, 1972, political parties were only required to show the source of received funds but were not required to show how those funds were spent, and after April 7, 1972, the most significant change in these laws was that the political parties had to account for all expenditures.

Mr. MITCHELL advised that he has never met ALFRED BALDWIN but that he has heard of him by name as BALDWIN was apparently employed as a body guard for his wife and accompanied her on a recent trip. Mr. MITCHELL stated that his wife was dissatisfied with BALDWIN and lodged several complaints about him with Mr. MITCHELL.

Mr. MITCHELL stated that he believed it was common practice for political parties to infiltrate one another by attempting to place their own people in positions of the opposition party in order to monitor the activities of that party. On Senator MC GOVERN's recent campaign in the state of California an individual was sent to that state attempting to monitor Mr. MC GOVERN's campaign methods such as the use of different forms of media.

Mr. MITCHELL stated that he had no knowledge of the break-in of the Democratic National Committee Headquarters other than what he has read in newspaper accounts of that incident.

Mr. MITCHELL concluded the interview with the comment that he hoped for the completion of this investigation so that "we could get some work done".

Committee. He explained that the main committees were the active committees and that no disbursements were made from the recipient committees who initially received the contributions.

When advised of the FBI's interest in any and all disbursements to MC CORD or McCord Associates, Attorney PARKINSON advised that all pertinent records regarding payments to MC CORD had been furnished to a Federal Grand Jury by ROBERT C. Mr. STANS confirmed that Mr. MC CORD had been retained by the Committee for the Re-election of the President from the Fall of 1971 and been employed on a full time basis as a Staff Security Officer since early 1972.

At this time, Mr. STANS was furnished with the interviewing agents names and office telephone numbers in event that further pertinent information may come to his attention.

United States Government records, reviewed by SA KENNETH J. HASER on July 7, 1972, disclose that ~~GEORGE GORDON LIDDY~~ was issued Official Passport Number Y-877092 at Washington, D.C. (WDC), on January 8, 1970, for proposed travel to Switzerland for ten days to represent the United States at the United Nations Commission on Narcotic Drugs. In his application dated January 8, 1970, at WDC, he stated his intention to depart by air about January 10, 1970. He expected to take another trip abroad within the year. This passport was valid for five years' travel to all countries except Cuba, mainland China, North Korea and North Vietnam. U

This individual stated that he was born on November 30, 1930, at New York, New York. The files reflect that his original Certificate of Presidential Appointment showing him as a Second Lieutenant in the United States Army and dated June 12, 1952, has been seen by passport authorities. He identified himself with a United States Treasury Department Identification Card which showed his date of birth. This passport application was supported by a letter dated January 8, 1970, from Assistant Secretary of the Treasury for Administration A. E. WEATHERSEE to the Passport Office stating that LIDDY was proceeding to Switzerland to attend as the Treasury representative for the special meeting of the United Nations Commission on Narcotic Drugs which would discuss a draft protocol on psychotropic substances. He did not list a permanent residence and arranged to have the passport picked up in Washington. U

He listed his father as SYLVESTER J. LIDDY, born at New York City on December 27, 1899, and his mother as MARIA LOUISE ABBATICCHIO, born at Fairmont, West Virginia, on April 21, 1909. He stated that he was last married on November 9, 1957, to FRANCES ANN PURCELL, born on December 2, 1932, at Poughkeepsie, New York, marriage not terminated. In the event of death or accident, he requested that FRANCES PURCELL LIDDY, his wife, be notified at 26 Locken Avenue, Poughkeepsie, New York. U

Records of the United States Department of the Treasury, Office of Personnel (Personnel Security), reviewed by SA MAURICE F. DONEGAN, JR., on July 5, 1972, disclosed that GEORGE GORDON LIDDY, born November 30, 1930, at Brooklyn, New York, was granted a Top Secret clearance by the Department of the Treasury on June 10, 1969, based on a United States Secret Service full field report of May 28, 1969 (supplemental report June 12, 1969), and FBI investigation of July, 1957. Clearance was for the position of Special Assistant to the Secretary (organized crime) and was canceled by his resignation July 19, 1971, to accept appointment on the White House Staff (the Domestic Council). He was interviewed by Treasury Security concerning security violations of leaving his safe unlocked June 14, 1971, and June 17, 1971, and he stated that these were due to the fact that his secretary, who was away, normally locked the safe.

He was interviewed June 10, 1969, by Treasury Security and requested to submit a letter setting forth all of his delinquent credit accounts. He stated that he went into debt in 1968 in running unsuccessfully in the Congressional Primary election in the 23th District of New York and serving without compensation as Chairman of the presidential campaign for Dutchess County, New York. He planned to sell his house in Poughkeepsie, New York, and the receipts of this and receivables would easily cover all his debts.

He was subject of New York State Commission of Investigation hearing at 270 Broadway, New York City, on September 8, 1967, in regard to allegations by CARLTON W. SOULES, Noxon Road, Poughkeepsie, New York to the Commission Chairman August 10, 1967, that he knowingly allowed and encouraged a police informant to participate in a number of burglaries and failed to notify other law enforcement agencies having jurisdiction over the territories where some of the burglaries were committed. He denied the allegations and the

Representative Hamilton Fish, Jr., 28th District of New York, Room 1230, House Office Building, Washington, D.C., was interviewed in his office on May 15, 1969.

Representative Fish stated that he has known the applicant for approximately three or four years on a professional, political and social basis. He said that in the 1968 Congressional District race, the applicant ran against him in the primaries, was defeated and then supported him in the national elections. He said that the applicant enjoys a very good professional reputation, is hard working without regard to the amount of time he spends on a particular job. The applicant is considered a very able trial attorney, is very straight forward in his approach and does not have the reputation of going behind peoples back. The Congressman said that the applicant "calls it the way he sees it".

The Congressman knows of no difficulty the subject has had in any job and has no knowledge of his association with persons who have a questionable reputation or association. In the Congressman's opinion, the applicant is ambitious in the true sense of the word, intelligent, and is a forceful person, extremely dedicated to what he is working for. The Congressman considers the applicant well qualified for the position he is being considered for, due to his experience in the FBI and the Dutchess County District Attorney's Office. The Congressman said that the subject, during the last Congressman race, took a very strong position against organized crime. The Congressman had no knowledge of the applicant's association with known members of the criminal element. He had no knowledge of any personal or mental problem such as drinking or gambling.

The Congressman said that he would recommend the applicant for this position without reservation and feels that he is professionally qualified for this job.

Congressman Gerald R. Ford, House Minority Leader, Room H230, U.S. Capitol Building, Washington, D.C., was personally interviewed in his office on May 15, 1969.

He advised that he did not know the applicant well, but based on his knowledge of the applicant and recommendations of close associates who he had great faith in, he would recommend the applicant for the position he is being considered for. He considers the applicant to be well suited for this position and has no reason to question his integrity or honesty. He said that he is not an intimate friend of the applicant and only knows him in a political association.

New York State Commission of Investigation - The applicant was the subject of an investigation by this agency resulting from a letter from Mr. Carlton W. Soules, Nexon Road, Poughkeepsie, New York, to Mr. Myles Lane, Chairman of the Commission of Investigation dated August 10, 1967. The letter was lengthy and made a variety of allegations against the applicant and a Poughkeepsie Police Detective. The allegations were basically that:

1. That the applicant, while Assistant District Attorney of Dutchess County, and the detective knowingly allowed and encouraged a police informant to participate in a number of burglaries with two other men with the purpose of obtaining information from the informant, on the other two men, concerning their narcotic activities.
2. That the applicant tried to coerce a Poughkeepsie Police Officer to testify that Soules had told the officer that he, "would get Beatty at any cost." (It should be noted that Beatty is the informant previously mentioned and he also was the driver of the car in which Mr. Soules' son was killed in an accident in January 1967).
3. That the applicant and the detective, having knowledge of the series of burglaries committed by the informant and the other two men, failed to notify other law enforcement agencies having jurisdiction over the territories where some of the burglaries were committed, of what was taking place and who the perpetrators were.

An investigation was conducted by the Commission of Investigation and the applicant appeared at a hearing at Commission of Investigation Headquarters, 270 Broadway, New York City, on September 8, 1967. In regard to the three

basic allegations the applicant replied to them in the following manner:

1. The applicant stated to the hearing board that, "Beatty operated as an informant and his assignment was to accept invitations to operate as a 'wheel man' for Anderson and Mulcahey, when they went out to commit burglaries and when they went to dispose of loot and get narcotics therefor."

According to testimony in Commission of Investigation files, Beatty participated in 13 burglaries during the 3 weeks he operated as an informant.

2. The applicant denied the allegation. He stated that the police officer was a very close friend of the complainant (Soules) and that the officer refused to testify against him even when told he would be subpoenaed.

In regard to this allegation it should be noted that the applicant's wife, through an inheritance, held the mortgage on this particular police officer's house. Apparently during a period when the applicant had a need for cash, the mortgage was sold which forced the officer to refinance the home. There was evidently some ill feeling on the part of the officer over this.

3. The applicant denied the allegation. He stated that all interested agencies were advised when he and the detective determined exactly where and in whose territory each burglary was committed.

Following the investigation and hearing, a letter was sent to the complainant, Mr. Soules, by the Commission of Investigation, stating that the allegations had been investigated and no further action by the Commission of Investigation was deemed necessary. The letter was dated April 10, 1968.

On June 10, 1969, Mr. Dennis E. Southern of your office requested that the following information be submitted in the captioned matter.

1. Approximate total delinquent debt: \$2,890.  
(see schedule "A")
2. Approximate total current debt (non-delinquent): \$2,600.  
(see schedule "B")

3. Manner in which delinquency occurred: The writer was a candidate in the June, 1968, Congressional primary election for the 28th district of New York. The campaign ran from December, 1967 through June 18, 1968. The bulk of the writer's income during the campaign, plus his savings, were expended in his effort to win the election. Following the election, the writer returned to the practice of law, but was then asked to be Chairman of the Presidential campaign for Dutchess County, N.Y. in the November, 1968, general election. The writer did so, without compensation, and refraining from the practice of law to do so effectively. As a result, substantial debts accumulated. From June, 1968 to June, 1969, said debts have been reduced by approximately \$4000.

ERTZINGER advised that he was contacted by JAMES W. MC CORD sometime during the first ten days in May, 1972. MC CORD asked ERTZINGER to furnish several names of ex-FBI Agents who might be interested in doing security type work for the Committee for the Re-Election of the President. MC CORD told ERTZINGER that the job would require some traveling. ERTZINGER advised that MC CORD did not actually ask him if he wanted the job and MC CORD seemed to know that ERTZINGER would not be interested in a job that involved traveling. ERTZINGER stated that he was looking for employment, but did not want to travel. MC CORD indicated that the job would probably last until November, 1972. Salary was not discussed, however, ERTZINGER later learned that the salary would be \$105 per day. He also heard later that the job would be bodyguard for MARTHA MITCHELL. ERTZINGER told MC CORD that he would try to think of several people for the job. The conversation was terminated and ERTZINGER has not heard from MC CORD since then. ERTZINGER stated that he did not know MC CORD and this was his only contact with MC CORD.

ERTZINGER then contacted OLIVER BARTLETT, an ex-FBI Agent who now works for Page Communications in Vienna, Virginia. W. PEYTON GEORGE, employed in the Congressional Liaison Office for the Secretary of Agriculture, Washington, D.C., (WDC), was interviewed in a Bureau vehicle in the parking lot at the United States Capitol.

Mr. GEORGE advised that a call was received at his home on April 26, 1972, from JAMES McCORD, who requested that GEORGE contact him regarding employment. GEORGE telephonically contacted McCORD on April 27, 1972, and was advised by McCORD, that he had read GEORGE's resume at the Society for Ex-Agents in New York City and was interested in hiring him for a security position. GEORGE informed him that the monthly meeting for ex-agents in the WDC area was being held at HOGATE's Restaurant on that same date and the meeting would be an ideal place for further discussion. However, McCORD did not show up at the meeting.

GEORGE contacted McCORD at his office at The Committee to Re-Elect the President, 1701 Pennsylvania Avenue, N.W. McCORD informed GEORGE that he felt GEORGE was qualified to assume the position as Director of Security for a detail to guard Mrs. MARINA MITCHELL. Mrs. MITCHELL had expressed desire to have former FBI agents between age 30-40 years on the detail. McCORD offered a salary of \$20,000 per year. GEORGE informed McCORD that he was well satisfied in his present position and had eventual plans of practicing law in WDC. Therefore, the only conditions under which he would consider employment would be if he obtained a salary of approximately \$30,000 per year and a position with the law firm, Mitchell, Mudge, Rose and Alexander. McCORD advised that he would arrange a meeting with FRED LARUE.

On April 29, 1972, McCORD, LARUE, and GEORGE met and discussed details of the proposed position for GEORGE.

LARUE advised that GEORGE's salary request was not out of line, but LARUE would have to speak to JOHN MITCHELL concerning the position with Mr. MITCHELL's law firm.

On May 1, 1972, GEORGE was recontacted by McCORD and was informed that LARUE had contacted Mr. MITCHELL who was leary of the financial arrangements that would arise since GEORGE's salary would probably have to be listed as campaign contributions. McCORD stated he would secure jobs for GEORGE in McCORD's security consulting firm in order to bolster GEORGE's salary to the \$30,000 figure. GEORGE declined the offer stating he was happy in his present position, would not consider the job. He suggested former FBI Agents ROBERT MCKENNA and CHUCK ORSI for the job.

On June 16, 1972, GEORGE and his family were sightseeing in WDC, and on the spur of the moment, decided to attend the 8:30 P.M. concert at the Waterfront Amphitheater. On the way to the concert at approximately 8:00 to 8:15 P.M., he stopped at the Howard Johnson's Motor Lodge directly across from the Watergate Hotel in order to purchase an ice cream cone for his son. Seated at a stool in the restaurant was McCORD, who immediately approached GEORGE and engaged him in a brief conversation. GEORGE could not state McCORD was in the company of any of the individuals who were arrested in the Watergate. McCORD was observed leaving the Motor Lodge but did not cross the street to the Watergate, but presumably went somewhere else in the Lodge.

WARREN L. (BUD) LOVE, First National Bank, 1701 Pennsylvania Avenue, N.W., Washington, D. C., advised that he was contacted by JAMES W. McCORD approximately one month ago. McCORD stated that he was looking for a retired Agent to be bodyguard for MARTHA MITCHELL. The job was to last until November, 1972, and would pay \$65.00 per day plus expenses. LOVE stated that he referred McCORD to PAUL ERZINGER in Washington, D. C., and SCUDLER D. KIMBLE of New York. ERZINGER is Chairman of the Ex-FBI Agents Society in Washington, D. C., and KIMBLE is in the job placement office of the Ex-FBI Society in New York. He stated that he does not know of anyone who took the job.

LOVE stated that he first met McCORD when McCORD introduced himself to LOVE. LOVE described McCORD as easygoing and mature and LOVE was very surprised to hear that McCORD was arrested during the break in of the Democratic Party National Headquarters. LOVE only saw McCORD when they would pass each other in the hall.

LOVE stated that LOU RUSSELL, a former FBI Agent, was also associated with McCORD. LOVE stated that he has okayed several checks to RUSSELL drawn on McCORD's personal account from an unrecalled bank in Virginia. LOVE advised that a couple of the checks were in amounts close to \$2000.00. LOVE could not say positively that RUSSELL was working for McCORD, but believes this to be true considering the money that McCORD gave RUSSELL.

LOVE advised that he saw RUSSELL shortly after the break in in which McCORD was arrested. RUSSELL said, "I guess you're wondering who the sixth man was?". RUSSELL then said, "Well, it wasn't me."

LOVE stated that he knows nothing further regarding McCORD.

She has worked for the Maryland National Bank in Rockville, Maryland, from January 21, 1963, until June 1, 1972, as a teller. She recalls on April 12, 1972, around 7:30 p.m., that JAMES MC CORD made a cash deposit of \$10,000 into his account. She recalls that the deposit was made up of \$100 bills with a paper clip fastened to every ten 100 dollar bills (\$1,000). She advised that most of the bills were old but that two packets (\$2,000) were made up of new bills. She was working the drive-in window that night and remembers that MC CORD drove an LTD Ford, black over gray.

She advised that MC CORD again made a deposit of \$10,000 into McCord Associates' account on May 31, 1972, around 12:30 p.m., and that the deposit consisted of all \$100 bills with paper clips around every \$1,000. They were all old bills as best as she can remember. She advised that MC CORD was driving the same car that she previously described and that he was alone on both transactions.

She advised that she was the teller in both instances.

He furnished the following information:

He has been a teller at the Bank from June 15, 1970 until the present time. He recalls receiving a \$10,000 deposit from a customer on June 12, 1972 between 4:00 p.m. - 6:00 p.m. He advised that he was working the drive-in window at this time, but he can't recall who the customer was. He does remember that the deposit was made up entirely of new \$100 bills and that every \$1,000 had a paper clip attached to it. He says he has never received a \$10,000 cash deposit before or after this particular one. He does not remember the customer who deposited the money nor is he acquainted with a person by the name of JAMES MC CORD.

He stated that an observation of the deposit slip dated June 12, 1972 to the account of MC CORD Associates, Incorporated, in the amount of \$10,000.00 reveals that his teller number, 438, is the same as the one on the deposit slip. He further recognizes the two half circles around the amount \$10,000.00 to be in his own handwriting.

It was determined that the Valdes signatures on specimens Q3, Q23, Q35, and Qc41 were prepared by EUGENIO ROLANDO MARTINEZ Y CREAGA, the writer of specimens K3 and K11.

It was determined that the Di Alberto signatures on specimens Q2, Q12, Q25, Q37, and Q38 were prepared by FRANK ANTHONY FIORINI, the writer of specimens K5 and K13.

Because of insufficient comparable writing or because of the presence of divergent characteristics in the known and questioned writings, other writings on specimens Q1 through Q50 were not identified with known writings of BERNARD L. Specimen	Check#	Amount	Date	Pavable to	Signed	Bank
Q57	276	\$2,500.00	3/13/72	George F. Leonard	Bernard L. Barker	Republic National Bank of Miami, Miami, Florida

Results of the examination:

The Barker signature on specimen Q57 was determined to have been prepared by BERNARD L. BARKER, the writer of specimen K9.

Characteristics in the endorsement on specimen Q57 indicate that this writing and the Leonard signatures on specimens Q31, Q44, and Q50 were probably prepared by the same individual. Characteristics in the Leonard signatures that could not be explained on the basis of the available known writings of suspects would not permit these signatures to be identified.

Because specimen K15 is, for the most part, hand printed, the amount of handwriting available for comparison with the questioned writings in this case is very limited. Because of this ALFRED CARLETON BALDWIN, III, could not be definitely established as the writer of any of the questioned writings.

Specimen K15 is returned herewith. Photographs of specimens Q57 and K15 have been retained.

Mrs. DOROTHY L. HUNT, 11120 River Road, Potomac, Maryland, was contacted at her residence and immediately apprised of the identities of the interviewing agents. She was subsequently displayed a small piece of luggage, brown in color, which is normally referred to as a "cosmetic case". This piece of luggage bears a gold seal from the "Castellana Hilton, Madrid, Spain". On one side of the luggage is printed the wording "HUNT LISA".

After viewing the above-described piece of luggage, Mrs. HUNT stated that the cosmetic case was very similar to a piece of her own luggage, which she purchased a number of years ago. She was unable to identify the described piece of luggage as her own. However, she noted that her own luggage had a similar seal from the Hilton Hotel in Madrid Spain. She stated that she and her husband had stayed in that hotel in about 1965 while on Government assignment in Spain.

Mrs. HUNT advised that her eldest daughter is LISA HUNT. In about 1966, LISA HUNT suffered injuries in an automobile accident and was subsequently hospitalized for both physical and mental examination. During that stay in the hospital LISA had utilized some of the family luggage. Mrs. HUNT noted that the writing "HUNT LISA" which appears on the above-described luggage may have been placed on her own luggage at that time.

Subsequent to LISA HUNT's return from the hospital, Mrs. HUNT stated that her cosmetic case had been stored at the family residence. She indicated that she had later taken this piece of luggage with her husband and family to Nicaragua in late 1970. At that time she believed she had left the cosmetic case behind in a motel room in Florida.

Mr. DONALD E. SANTARELLI, Deputy Associate Attorney General, U.S. Department of Justice, Washington, D.C. (WDC), advised as follows:

On June 17, 1972, Mr. SANTARELLI was at the beach with his wife staying with friends for the weekend. He received no calls from the Committee to Re-Elect the President that weekend; however, his wife had read in the paper or heard on the radio about the Democratic National Committee break-in and called ROBERT ODLE of the Committee to determine the meaning of this event if any.

Mr. SANTARELLI stated Mr. ODLE is his wife's immediate supervisor and ODLE asked to speak to SANTARELLI, during the call, to request aid in locating a replacement for Security Office MC CORD who had been arrested, in connection with the break-in. This was on Sunday morning, and ODLE discussed no other facet of the break-in with SANTARELLI.

Mr. SANTARELLI said that Mr. ODLE often had sought his advice in the past in such matters as screening trustworthy potential employees.

Mr. SANTARELLI reiterated that he has seen Mr. ODLE since the aforementioned incident at the Democratic National Committee and that ODLE has never spoken of the incident in his presence.

Mrs. JANE L. MARCEY, 1110 Elm Street, S.W., Vienna, Virginia, home telephone number 938-8267, was contacted by SAs DONALD E. STUKEY, II, and SA MICHAEL J. KING at her place of employment, the Chesapeake and Potomac (C&P) Telephone Company, 917 13th Street, N.W., Washington, D.C. (WDC), where Mrs. MARCEY is employed as Administrative Assistant to the District Traffic Manager, C&P Telephone Company. SAs STUKEY and KING identified themselves as representatives of the FBI and advised Mrs. MARCEY that they were conducting an investigation related to the burglary of the Democratic National Committee Headquarters (DNCH), Watergate Office Building, WDC, on June 17, 1972.

SA STUKEY advised Mrs. MARCEY that among evidence collected in the effects of five men arrested in the office space of the Democratic National Committee (DNC) was a page from the Washington Metropolitan Telephone Directory, which bore a handwritten telephone number at the top of the page, which was telephone number 392-5544. Mrs. MARCEY was advised that an investigation had determined that this was her individual line at her office at the C&P Telephone Company. SA STUKEY asked Mrs. MARCEY if she was in possession of any information concerning the aforementioned burglary at the DNCH.

Mrs. MARCEY stated that she cannot understand why anyone would have her telephone number as she does not deal directly with the public. Mrs. MARCEY explained that the Traffic Department is responsible for installation and training of PBX teletype equipment and that her particular division dispatches telephone company personnel to train operators for the PBX system. Mrs. MARCEY stated that the only reason anyone would contact her at her telephone extension would be if they had forgotten the name of their counselor-trainer and would call her to determine the name of their counselor-trainer.
